**22<sup>nd</sup> Jan TO 17<sup>th</sup> May 2024 (Revision 3.2 – Mono version)**

**11/01/2024**

## **NOTES:**

- The below timetable is to be used as guidance only and as a simple visual representation.
- The below timetable and colour coding follows the latest request of a minimum of 1 hour at the start and end of each free flow period wherever possible.
- Where there are no restrictions works may still be being carried out, but the lock will be fully operational.
- The timetable is subject to daily change and overall movement depending on weather and risks.
- Atmospheric pressures may affect lock access timings but not durations.
